MOTION TO ACCEPT SETTLEMENT AGREEMENT

NOW COME the Department of Environmental Services, Waste Management Division (“the Division”) and Evans Group, Inc., parties to the above-captioned matter, and stipulate to the following:

1. The Commissioner of the Department of Environmental Services (“DES”), is authorized under RSA 146-C:10-a to impose administrative fines of up to \$2,000 per offense for violations of RSA 146-C and Env-Wm 1401 relating to installation, maintenance, operation, and closure of underground storage facilities. Pursuant to RSA 146-C:10-a, the Commissioner has adopted Env-C 607 to establish the schedule of fines for such violations.
2. Evans Group Inc. (“Evans”) is the registered facility owner of two underground storage tank (“UST”) systems at the Evans Expressmart facility (“the Facility”), further identified as UST #0-113451, located on real property at Route 11, Sunapee, NH (“the Property”).
3. On September 7, 2004, the Division issued Notice of Proposed Administrative Fine No. AF 04-067 (“the Notice”) to Evans seeking fines totaling \$4,400 for violations of New Hampshire Administrative Rule Part Env-Wm 1401.
4. Specifically, the Notice cited Evans for violating Env-Wm 1401.25 (c) and (d) by failing to provide the minimum 5-gallon capacity for the two spill containment devices and by failing to properly install and maintain overfill protection equipment on Tanks 4 and 5. Pursuant to Env-C 607.05(j) the Division sought a fine of \$400.
5. The Notice further cited Evans for violating Env-Wm 1401.31(a) by failing to maintain leak monitoring equipment in good working order at all times to continuously perform their original design function for Tanks 4 and 5 and by failing to perform the annual test for proper operation. Pursuant to Env-C 607.05 (d) the Division sought a fine of \$2,000.
6. The Notice further cited Evans for violating Env-Wm 1401.33 for failing to install corrosion protection for piping for Tanks 4 and 5. Pursuant to Env-C 607.30 (f) the Division sought a fine of \$2,000.

7. In order to settle this matter, the Division and Evans have agreed to the terms of this Settlement Agreement ("Agreement"), as set forth herein.
8. Of the proposed fine in the amount of \$4,400, 20% or \$880 shall be suspended for the respondent's good faith effort in returning the facility to compliance. An additional 20% or \$880 shall be suspended due to the respondent's history of compliance at this facility.
9. The suspended portion of the proposed fine, in the amount of \$1,760, is contingent on Evans maintaining the subject facility in compliance with New Hampshire Administrative Rules Env-Wm 1401 for a period of two years from the date of the execution of this document. If Evans fails to maintain compliance during the two-year period, the suspended portion of the proposed fine in the amount of \$1,760 shall become due and payable immediately. If Evans maintains compliance for the prescribed two-year period, the suspended portion of the fines shall be waived.
10. Evans agrees to pay the remaining \$2,640 upon execution of this Agreement by Evans.
11. Payment under Paragraph #10 and any payment that becomes due pursuant to Paragraph #9 shall be paid by certified check made payable to: "Treasurer, State of New Hampshire" and mailed to:

DES Legal Unit
Attention: Michael Sclafani, Legal Assistant
P.O. Box 95
Concord, NH 03302-0095
12. If any payment is made by check or money order that is returned due to insufficient funds, pursuant to NH RSA 6:11-a, DES may charge a fee in the amount of 5% of the face amount of the check or money order or \$25.00, whichever is greater, plus all protest and bank fees, in addition to the amount of the check or money order, to cover the costs of collection.
13. By executing this Agreement, Evans waives its right to a hearing on or any appeal of the administrative fines identified in the Notice, and agrees that this Agreement may be entered into and enforced by a court of competent jurisdiction.
14. The effective date of this Agreement will be upon signature by an authorized representative of Evans, the Director of the Waste Management Division, and the Commissioner of DES. After that date, this Agreement may be amended only by written agreement signed by both parties and the Commissioner. Any such amendment will become effective on the date on which it has been accepted by the Commissioner.
15. No failure by DES to enforce any provision of this Agreement after any breach or default will be deemed as a waiver of its rights with regard to that breach or default, nor will such failures be construed as a waiver of the right to enforce each and all provisions of this Agreement on any

further breach or default.

WHEREFORE, the parties respectfully request the Commissioner to accept the terms of this Agreement by granting this Motion.

Respectfully submitted,
Evans Group Inc.
